**DANIER LEATHER FORMALLY LAUNCHES  
UP TO CDN\$10 MILLION SUBSTANTIAL ISSUER BID**

**TORONTO, ONTARIO, October 24, 2012** – Danier Leather Inc. (TSX: DL) ("**Danier**" or the "**Corporation**") announced today that it has formally launched its previously announced substantial issuer bid (the "**Offer**"), pursuant to which Danier has offered to repurchase for cancellation up to Cdn\$10 million in value of its subordinate voting shares (the "**Shares**") from shareholders for cash. The Offer is by way of a "modified Dutch auction" and the range of Offer prices is between Cdn\$12.55 to Cdn\$13.30 per Share (in increments of Cdn\$0.15 per Share). The minimum and maximum Offer prices correspond with the range of fair market values per Share determined, as of October 23, 2012, by Deloitte & Touche LLP, the independent valuator engaged to prepare a formal valuation of the Shares (the "**Valuation**"). The Offer will expire at 7:00 p.m. (Toronto time) on November 28, 2012, unless extended or withdrawn by the Corporation.

The formal offer to purchase and issuer bid circular, which includes a copy of the Valuation, together with the related letter of transmittal and notice of guaranteed delivery (the "**Offer Documents**"), containing the terms and conditions of the Offer and instructions for tendering Shares, among other things, are in the process of being mailed to shareholders and will be filed today with the applicable securities regulators and available on SEDAR at [www.sedar.com](http://www.sedar.com).

None of the Corporation, its Board of Directors or the Special Committee makes any recommendation to shareholders as to whether to tender or refrain from tendering any or all of their Shares to the Offer or as to the purchase price or prices at which shareholders may choose to tender Shares. Shareholders are urged to read the Offer Documents carefully and in their entirety, and to consult their own financial, tax and legal advisors and to make their own decisions whether to tender or refrain from tendering their Shares to the Offer and, if so, how many Shares to tender and at what price or prices.

Any questions or requests for assistance in tendering Shares to the Offer may be directed to GMP Securities L.P., the Dealer Manager for the Offer, or Computershare Investor Services Inc., the Depository under the Offer, as follows:

## **Forward-Looking Information**

*Note: This press release contains forward-looking information and forward-looking statements which reflect the current view of Danier with respect to the Corporation's objectives, plans, goals, strategies, future growth, results of operations, financial and operating performance and business prospects and opportunities. Wherever used, the words "may", "will", "anticipate", "intend", "estimate", "expect", "plan", "believe" and similar expressions identify forward-looking statements and forward-looking information. Forward-looking statements and forward-looking information should not be read as guarantees of future events, performance or results, and will not necessarily be accurate indications of whether, or the times at which, such events, performance or results will be achieved. All of the statements in this press release containing forward-looking statements or forward-looking information are qualified by these cautionary statements.*

*Forward-looking statements and forward-looking information are based on information available at the time they are made, underlying estimates and assumptions made by management and management's good faith belief with respect to future events, performance and results, and are subject to inherent risks and uncertainties surrounding future expectations generally. Such risks and uncertainties include, but are not limited to, general economic conditions, consumer confidence, consumer debt levels and consumer spending, including a real or perceived slowdown in the general economy which can result in a reduction in consumer spending and can affect demand for the Corporation's products, risks associated with foreign supply, sourcing and manufacturing, including increasing leather prices and increasing constraints on foreign vendors' capacity, fashion and apparel and leather industry risks that can affect demand for the Corporation's products and inventory mark-downs, leather availability and prices, increased inflation and interest rates, unseasonably hot weather or severe or unusual weather, seasonality and fluctuations of quarterly results, foreign currency and interest rate fluctuations which can result in increased costs, competition including new competitors and expansion of current competitors, changes in consumer shopping patterns and demand, the ability of the Corporation to obtain new locations or renew or relocate existing locations on favourable lease terms or at all, events that impact the use of the Corporation's head office and distribution centre or equipment, the ability of the Corporation to attract and retain key executives and key employees, the ability of vendors to maintain, support and upgrade management information systems, performance of third party service providers and investees, inability to renew or access or obtain replacement credit facilities, higher utility and fuel prices which can result in increased costs, disruptions in the credit markets, changes or disruptions in the securities markets or the trading price or liquidity of the Corporation's Shares, the inability to complete the Offer within the timeline anticipated or at all, the satisfaction or waiver of the conditions to the Offer, the Offer not having the effects or benefits currently anticipated, the extent to which holders of Shares determine to tender their*

*Shares to the Offer and the price or prices at which such Shares are tendered, the anticipated benefits of the Offer, the ability to successfully implement the Corporation's business strategy, financial, capital expenditure and operating budgets and activities, the ability to realize any anticipated cost savings, risks associated with international expansion (or lack thereof) and licensing and distributorship operations, potential legal proceedings, changes to the regulatory and economic environment in which the Corporation operates now and in the future, including changes in accounting policies and practices or pronouncements introduced by regulatory authorities, changes in the Corporation's tax liabilities, either through changes in tax laws or future assessments, decreases in sales from existing stores or any material disruption to the Corporation's operations, and war and acts of terrorism, among other things.*

*Danier cautions readers that this list of factors is not exhaustive and that should certain risks or uncertainties materialize, or should underlying estimates or assumptions prove incorrect, actual events, performance and results may vary significantly from those expected. There can be no assurance that the actual results, performance, events or activities anticipated by the Corporation will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, the Corporation. Potential investors and other readers are urged to consider these factors carefully in evaluating forward-looking information and forward-looking statements and are cautioned not to place undue reliance on any forward-looking information or forward-looking statements.*

*For additional information with respect to certain of these and other risks or uncertainties, reference should be made to Danier's continuous disclosure materials filed from time to time with the Canadian Securities Regulatory Authorities, including the Corporation's most recent annual information form, quarterly and annual reports and financial statements, and supplementary information, which are available on SEDAR at [www.sedar.com](http://www.sedar.com) and in the Investor Relations section of the Corporation's website at [www.danier.com](http://www.danier.com). Additional risks and uncertainties not presently known to the Corporation or that Danier currently believes to be less significant may also adversely affect the Corporation. Danier disclaims any intention or obligation to update or revise any forward-looking information or forward-looking statements, whether as a result of new information, future events or otherwise, except as required under applicable securities laws.*
